

THE DIALOGUE

The Kentucky Hunger Dialogue Newsletter

Will College Hunger Ever End?

College hunger is a complex challenge, but it is not an impossible one to solve. As tuition, housing, and food costs continue to rise, many students struggle to meet their basic needs while pursuing an education.

The good news is that colleges, community organizations, policymakers, and advocates are working together to expand campus food pantries, increase SNAP awareness, provide emergency aid, and strengthen community partnerships. Ending college hunger will require continued collaboration, innovative solutions, and sustained investment.

Every student deserves the opportunity to learn without worrying about their next meal. Together, we can build a future where student success is never limited by hunger.

WHO CARES ABOUT COLLEGE HUNGER? We do!

THE KENTUCKY HUNGER DIALOGUE
COLLEGE PANTRY
COMMUNITY OF PRACTICE!

Meetings: EVERY OTHER TUESDAY
Time: 1:00-2:00 PM ET
Who Can Attend: EVERYONE IS WELCOME!

All are WELCOME!
KENTUCKY HUNGER DIALOGUE

Together, we can build stronger campus communities and ensure students have the resources they need to succeed.

Working together to end college hunger in Kentucky.

Letter from the Editor

Dear KHD Community,

As I write this Letter from the Editor, I am filled with gratitude for the opportunity to have served the Kentucky Hunger Dialogue over the past three years. It has been a privilege to share your stories, celebrate innovative campus and community partnerships, and highlight the incredible work being done to address college hunger across Kentucky.

This newsletter has reminded me that lasting change happens when passionate people come together with a shared purpose. Thank you for your encouragement, collaboration, and commitment to supporting students and strengthening our communities.

Although this chapter is coming to a close, I know the work of KHD will continue to grow and make a meaningful impact for years to come.

With heartfelt appreciation,
Susan Byrd/ 'Editor-At-Large'
Americorps/Vista Program Associate
Kentucky Hunger Dialogue/EngageKY/NKU

"Life's most persistent and urgent question is: 'What are you doing for others?'"

— Dr. Martin Luther King Jr.
